Marketing professional with 8+ years driving growth across MENA through product marketing, go-to-market strategy and cross-functional collaboration. Proven ability to translate customer insights into positioning, messaging and enablement that support product launches and market expansion.

✧ CORE SKILLS

GTM Strategy · Product Marketing · Positioning · Messaging · Customer Insights · Sales Enablement · Cross-Functional Collaboration · Localization · Budget & ROI Management · Demand Generation

📁 PROFESSIONAL EXPERIENCE

Field Marketing Manager, MENA - Thomson Reuters, Jul 2024 – Present

- Develop and execute go-to-market plans for Legal solutions, adapting global strategies to local market needs across the MENA region.
- Partner with Product, Sales and cross-functional stakeholders to localize messaging, value propositions and sales enablement assets, ensuring they address local customer needs and commercial priorities.
- Lead integrated multi-channel marketing programs, including digital campaigns, webinars, executive events and ABM initiatives, to drive product awareness, engagement and pipeline growth.
- Measure campaign performance, pipeline progression and ROI, using data-driven insights to continuously refine targeting and support business objectives.
- Manage an annual budget exceeding USD 300K, coordinating agencies and vendors to deliver impactful regional initiatives.

Marketing Manager, MENA - DiliTrust, Dec 2021 – Jun 2024

- Drove marketing execution across the MENA region, partnering with Sales to identify strategic accounts and execute account-based marketing initiatives that contributed to over 30% of pipeline generation.
- Created localized marketing content, customer success stories and sales enablement assets, strengthening customer engagement and supporting business development across the region.
- Built strategic partnerships and led executive events, webinars and thought leadership programs to increase brand visibility, generate demand and reinforce DiliTrust's market presence.
- Monitored campaign performance and marketing ROI, using commercial insights to continuously refine campaigns and maximize business impact.

Marketing Coordinator - Global Distribution, Dec 2020 – Nov 2021

- Led local brand strategy and execution for Modilac infant nutrition across pharmacies, hypermarkets, and distribution channels.
- Executed integrated 360° marketing campaigns across digital, in-store, and offline channels, driving brand awareness and consumer engagement.
- Developed trade marketing materials and product messaging highlighting key nutritional benefits and competitive positioning for retail partners.
- Coordinated with Modilac France on demand planning, stock allocation, and seasonal promotional calendars.

Digital Marketing Analyst, EMEA - Groupe Renault, Apr 2019 – Nov 2020

- Defined KPIs and built performance dashboards to track marketing effectiveness across multiple EMEA markets.
- Ran A/B tests with CRO teams to improve UX, increase conversions, and optimize consumer journeys.
- Delivered monthly performance reports and actionable insights to country managers, supporting data-driven decision-making.
